The wild gang of musicians surrounding the Sicilian singer and bass player, Nick 'Carbonara' Bisognano, is probably one of the most explosive mixtures since the invention of spicy Pasta!

When Nick and the guys start their Rock'n'Roll Show, everyone becomes a helpless victim of his unstoppable energy! But that's not all, what makes this charismatic little Sicilian 'Bass Maniac' so special: The performances that he gives with his guys on the stages of the world express the true meaning of Rock'n'Roll:

Joy of life, streaming sweat, love, sex, freedom, nostalgia and driving rhythm, just to give a few examples...

For years, Rockin' Carbonara has been of the most booked and requested Rockabilly Bands in Europe. Following to their TV appearances, shows and tours throughout Holland, Belgium, France, Ireland, Germany, Italy and Switzerland, they're always welcome guests at the most popular clubs, festivals and events. Their professionalism is proved not only by their live performances, but also by their original material which pleases the audience anywhere they play...

These recordings were made during the time of 'The Woodchoppers', Nick's previous band. With Rockin'

Carbonara, Nick takes the lead on the songs and brings more joy of life than ever before!

With this release from 'Vampirette Music', these recordings are released for the first time and will be made available to a large audience.
